

# RENEW Doncaster

## *Keys to a fresh start*

We at Renew Doncaster are passionate about housing the homeless in our local community, giving these vulnerable people hope, support, and encouragement. We will be working with our residents providing them with a furnished home, ongoing support, training, advice, and personal development opportunities, appropriate to their individual needs.

## **Volunteers Required - Can You Please Help?**

Please help us to house the homeless

### **Mentors**

Renew Doncaster requires the support of volunteer mentors in order to assist with the delivery of support plans for our residents. Successful applicants must be willing to work alongside residents who can potentially display challenging behaviour. The role will entail attending support planning meetings, helping to write support plans, and assisting the resident achieve some of their objectives. The role may involve some lone working. Working hours are negotiable, although a weekly commitment would be beneficial. Appropriate training will be provided for this role.

### **Befrienders**

Renew Doncaster requires the support of volunteer befrienders to provide residents with the opportunity to have positive interactions and attend social events. This is a dynamic role which would require innovative thinking about ways to engage with people from a variety of backgrounds. The role could involve partaking in a rota to provide a meal and social time for Renew Doncaster residents on a fortnightly basis. The role may at times involve some lone working, and successful applicants may occasionally come into contact with challenging behaviour. Appropriate training will be provided for this role.
